## Retailer Comments

This vehicle won't be on the lot long! You'll appreciate its safety and convenience features! A turbocharger further enhances performance, while also preserving fuel economy. Top features include power front seats, an automatic dimming rear-view mirror, lane departure warning, and the power moon roof opens up the cabin to the natural environment. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Stop by our dealership or give us a call for more information.
