Retailer Comments

This Land Rover won't be on the lot long! Its name continues to define excellence, both on and off the road! A turbocharger further enhances performance, while also preserving fuel economy. Comfort and convenience were prioritized within, evidenced by amenities such as: an automatic dimming rear-view mirror, automatic dimming door mirrors, and power front seats. It features an automatic transmission, 4-wheel drive, and a 2 liter 4 cylinder engine. Our sales reps are extremely helpful knowledgeable. We'd be happy to answer any questions that you may have. Call now to schedule a test drive.
