NOTABLE FEATURES AND OPTIONS YOU SHOULD KNOW ABOUT: Cold Climate Pack (\$500 value) Heated Windscreen Heated Washer Jets Headlamp Power Washers Air Suspension Pack (\$1,600 value) Electronic Air Suspension Adaptive Dynamics Premium Upgrade Interior Pack (\$1,910 value) Extended Leather Upgrade Leather Wrapped Steering Wheel with PU Driver Airbag Leather Covered Gear Knob 14-Way Heated and Cooled Electric Front Seats Safety and Security The vehicle is equipped with a system that senses, and then prepares, the vehicle and/or occupants, for an impending forward collision. The vehicle is equipped with a camera that displays an image of the area behind the vehicle on an interior display. An active lane departure system alerts the driver of unintended movement of the vehicle out of a designated traffic lane and automatically maintains the vehicle's position within that lane. An active blind spot system helps prevent the driver from making a lane change when another vehicle is in their blind spot. Technology and Telematics Without the need for a manufacturer specific app to be installed on the smart device, the vehicle infotainment system can access and control functions of a smart device physically plugged-into the vehicle.
