Retailer Comments

Don't miss this great Land Rover! You'll appreciate its safety and convenience features! A turbocharger is also included as an economical means of increasing performance. With fewer than 3,000 miles on the odometer, this 4 door sport utility vehicle excels in its class, and is equipped to provide comfort, safety and style. All of the following features are included: front and rear reading lights, turn signal indicator mirrors, and power seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. They'll work with you to find the right vehicle at a price you can afford. Stop in and take a test drive!
