This pre-owned 2023 Range Rover Evoque, with 47,018 miles, is a stunning example of modern luxury compact SUV design, available now at Jaguar Land Rover Schaumburg. Its captivating exterior is finished in sophisticated Seoul Pearl Silver, perfectly complementing the luxurious interior appointed in Cloud/Ebony Leather. This specific model is generously equipped with desirable options, including a Sliding Panoramic Roof, the essential Cold Climate Package, Blind Spot Assist for enhanced awareness, distinctive 20-Inch Wheels, and an Upgraded Meridian Sound System for an immersive audio experience. Performance The Evoque delivers a refined and capable performance experience. Powered by a responsive 2.0-liter turbocharged four-cylinder engine (P250), it generates 246 horsepower and 269 lb-ft of torque, coupled with a smooth 9-speed automatic transmission and standard All-Wheel Drive (AWD). This powertrain ensures confident acceleration and seamless cruising. Land Rover's legendary capability is maintained through systems like Terrain Response 2, which automatically optimizes the vehicle for various driving conditions, while the electronic power assisted steering provides precise handling, making it as agile in the city as it is capable off-road. Design The Evoque's acclaimed design is instantly recognizable, featuring a distinctive coupé-like silhouette and clean, uncluttered lines. The flush deployable door handles and slim LED headlamps contribute to its sleek, modern aesthetic. The custom 20-Inch Wheels enhance its athletic stance. Inside, the Cloud/Ebony Leather interior creates an airy, premium cabin atmosphere. The optional Sliding Panoramic Roof floods the interior with natural light, further enhancing the sense of spaciousness and luxury. Technology At the heart of the cabin is the Pivi Pro infotainment system, accessible via a high-resolution touchscreen, offering seamless connectivity with wireless Apple CarPlay® and Android Auto™. The vehicle's technology is elevated by the Upgraded Meridian Sound System, which delivers crystal-clear audio fidelity and concert-like depth, transforming the cabin into a private listening space. A digital interactive driver display also provides critical information and navigation data clearly in the driver's line of sight. Advanced Safety Features Safety is paramount in the Evoque, which includes a comprehensive suite of driver assistance systems. Key amongst the options on this model is Blind Spot

Assist, which actively helps prevent collisions by warning the driver of vehicles in the blind spot and applying corrective steering torque if needed. Other standard features include Emergency Braking, Lane Keep Assist, and front and rear Parking Aids, all designed to offer peace of mind and protection for all occupants.
