Located at Jaguar Land Rover Schaumburg, this stunning pre-owned 2022 Range Rover Velar, with just 15,300 miles, perfectly blends capability and contemporary luxury. The premium Silicon Silver exterior paint is beautifully contrasted by the optional Black Contrast Roof and the distinctive R-Dynamic Black Exterior Package, which provides a dramatic, stealth-like appeal through Narvik Black detailing on the lettering, grille, and vents. Inside, the cabin features luxurious Ebony Leather seating and is accented by the sophisticated gloss of the optional Grand Black Veneer. Performance The Range Rover Velar delivers a refined and capable performance experience. Power comes from a responsive turbocharged engine paired with an 8-speed automatic transmission and standard All-Wheel Drive. Enhancing its dynamic poise is the addition of Adaptive Dynamics, a system that continuously monitors body and steering movements to adjust the suspension damping, resulting in an optimal balance of a smooth, comfortable ride and precise handling, whether cruising on the highway or navigating challenging roads. Design The Velar's acclaimed reductive design philosophy is evident in its clean lines, beautiful proportions, and iconic features like the flush deployable door handles. The R-Dynamic Black Exterior Package intensifies its purposeful stance. The driver-focused interior is a sanctuary of modern elegance, featuring sumptuous Ebony Leather, a leather steering wheel, and the high-gloss Grand Black Veneer that elevates the sense of craftsmanship and luxury. Technology The advanced technology suite is anchored by the dual-touchscreen Pivi Pro infotainment system, offering intuitive control over media and navigation. Adding to this is the optional Head-Up Display, which projects critical driving data onto the windshield, allowing the driver to maintain focus on the road. For an unparalleled listening experience, the vehicle is equipped with the optional Meridian 3D Surround Sound System, which uses numerous speakers to deliver rich, high-fidelity, and three-dimensional audio throughout the cabin. Advanced Safety Features Safety in the Velar is comprehensive, featuring a standard suite of driver assistance systems. These technologies include Emergency Braking, Lane Keep Assist, a Rear

Camera, and Front and Rear Parking Aids. Furthermore, standard features like Traffic Sign Recognition and an Adaptive Speed Limiter help the driver stay aware and within legal limits, contributing to a secure and confident driving experience. Convenience and Comfort The Velar is engineered for maximum convenience and comfort. Standard features like Keyless Entry, an electrically adjustable steering column, and a powered tailgate streamline the daily routine. Inside, heated front seat Here at Jaguar Land Rover Schaumburg, we appreciate the opportunity to earn your business.
