## Retailer Comments

Recent Arrival! 14-Way Heated & Cooled Front Seats w/Driver Memory, Adaptive Cruise Control w/Steering Assist, Cold Climate Pack, Copper Weave Carbon Fiber Trim Finisher, Full Leather Steering Wheel, Heated Windshield & Headlight Power wash, Navigation system: Pivi Pro, Power Liftgate, Power moonroof, Solar Attenuating Windscreen, Wheels: 22" 7 Split-Spoke w/Gloss Black Finish. 2023 Land Rover Range Rover Velar HST Fuji White. The Range Rover Velar has pioneered the brand's minimalist, elegant design philosophy, and this pre-owned 2023 model, with just 28,795 miles, exemplifies that sophisticated style. Cloaked in a crisp Fuji White exterior and featuring an opulent Ebony Leather interior, this SUV makes a powerful visual statement. The striking silhouette is further enhanced by optional 22-Inch Wheels, providing an imposing and dynamic stance. The cabin's refinement is highlighted by the luxurious Copper Weave Carbon Fiber Trim, merging high-tech material with bespoke craftsmanship to create an exclusive atmosphere. Performance Though an exact engine is not specified, the 2023 Velar typically offers a responsive and refined drive, often powered by a spirited 2.0L P250 turbocharged four-cylinder engine (247 hp) or an available mild-hybrid inline-six. Paired with an advanced 8-speed automatic transmission and standard All-Wheel Drive, the vehicle delivers confident handling and smooth acceleration. Its well-tuned chassis balances on-road comfort with the renowned all-terrain capability expected of a Range Rover, offering poise and agility whether navigating city streets or winding roads. Technology The interior is a hub of intuitive technology, centered around the Pivi Pro infotainment system, which features a crisp dual touchscreen setup for media, navigation, and vehicle controls. This model is well-equipped with the inclusion of advanced connectivity features. The driver is aided by an immersive digital driver display, keeping essential information clear and in sight. Advanced Safety Features This Velar elevates peace of mind with a comprehensive suite of advanced safety and driver-assistance systems. A key added feature is Adaptive Cruise Control, which automatically adjusts your speed to maintain a safe following distance, making highway driving significantly less strenuous. Standard features include Emergency Braking, Lane Keep Assist, and a Rear Camera with parking aids, all working together to enhance awareness and protect occupants. Convenience and Comfort Luxury and practicality converge in this Velar. The cabin ensures ultimate comfort with the optional 14-Way Heated/Cooled Seats, allowing both front occupants to easily find their perfect setting regardless of the weather. Beyond the exclusive Copper Weave Carbon Fiber Trim, convenience features such as keyless entry, a powered tailgate, and ample cargo space make daily errands and long-distance journeys equally effortless. This Range Rover Velar provides an exceptional blend of modern luxury, innovative technology, and all-weather

capability. Here at Jaguar Land Rover Schaumburg, we appreciate the opportunity to earn your business. This begins by being 100% committed to putting our customers first and offering complete transparency with every transaction. Please call us at (847)-252-7800 and ask to speak with one of our Sales Guides and we will be happy to provide you with any additional information you need to make your decision.
