Discover adventure and luxury in this pre-owned 2024 Land Rover Defender 130 X-Dynamic SE, available now at Jaguar Land Rover Schaumburg. With just 26,627 miles, this eight-seater SUV is finished in the sophisticated Eiger Gray exterior and features a premium Ebony Leather interior. This Defender is further elevated with desirable options, including the powerful Extended Black Exterior Package, commanding 22" Wheels, and the practical Comfort/Convenience Pack, making it a truly exceptional find. Performance Powering this long-wheelbase Defender is the potent P400 3.0L inline six-cylinder mild-hybrid engine, delivering 395 horsepower and 406 lb-ft of torque for effortless acceleration and towing. Its legendary off-road performance is ensured by standard All-Wheel Drive (AWD), an 8-speed automatic transmission, and Electronic Air Suspension with Adaptive Dynamics. This robust combination, paired with the advanced Terrain Response® system, provides unparalleled capability and a refined, controlled ride across diverse conditions. Design The Defender 130 X-Dynamic SE presents a distinctive, rugged yet refined aesthetic. The imposing presence of the Eiger Gray paint is enhanced by the Extended Black Exterior Package, which adds a bold, aggressive edge with Gloss Black detailing, skid plates, and black contrast elements. The powerful stance is further emphasized by the striking 22-inch wheels, while the cabin features high-quality Ebony Leather seating and X-Dynamic specific treadplates, perfectly blending durability with premium comfort. Technology At the heart of the cabin is the intuitive Pivi Pro infotainment system, controlled via a large 11.4-inch touchscreen. It offers seamless connectivity with the Smartphone Pack (Apple CarPlay® and Android Auto™), a Meridian™ Sound System, and an Interactive Driver Display that places vital information directly in your line of sight. The technology suite provides a modern, user-friendly interface for navigation, entertainment, and vehicle control. Advanced Safety Features Confidence on and off the road is assured by a comprehensive array of advanced safety and driver-assistance features. Standard systems include Emergency Braking, Blind Spot Assist, Lane Keep Assist, and Rear Traffic Monitor. Furthermore, the 3D Surround Camera and 360° Parking Aid make maneuvering this full-size SUV easier in tight spaces, while Adaptive Cruise Control adds comfort and peace of mind on long highway journeys. Convenience and Comfort The spacious

interior of the Defender 130 is designed for up to eight occupants, making it ideal for family adventures. The Comfort/Convenience Pack adds key amenities that enhance the daily drive. Standard features like heated and cooled electric memory front seats, three-zone climate control with rear heating and cooling assist, and a fixed panoramic glass roof in the third row ensure all passengers enjoy a supremely comfortable journey, regardless of the distance or conditions.
