RAV Vehicle! Free 1 Year/12,000 mile warranty! This vehicle was required by Land Rover. Land Rover then reconditioned the vehicle and made the repairs that were needed. The vehicle was then shipped to our store where our technicians went through it a second time! Talk about peace of mind! Pls a free warranty to boot! Recent Arrival! 20" Wheels, Basic Rear Seat Convenience Pack, Heated Steering Wheel, Heated Windshield, Wheels: 20" 12 Spoke Gloss Silver. 2021 Land Rover Range Rover Fuji White. This stunning pre-owned 2021 Range Rover, available at Jaguar Land Rover Schaumburg (60194), is an exceptional example of luxury and off-road prowess. Showing 44,501 miles, its Fuji White exterior provides a brilliant, classic contrast to the sophisticated interior featuring Ebony Seats. This specific vehicle is further enhanced with highly desirable options, including 20 Inch Wheels, the comprehensive Drive Pack, and a comfort-focused Heated Seats package. Performance The 2021 Range Rover delivers a refined and confident driving experience, whether navigating urban streets or tackling challenging terrain. Its capable powertrain provides smooth acceleration, while the legendary standard All-Wheel Drive (AWD) and Electronic Air Suspension ensure composed handling and exceptional stability. The acclaimed Terrain Response® system allows the driver to select optimal settings for various surfaces, affirming its world-class off-road capability without compromising on-road comfort. Design Exuding timeless elegance, the Range Rover's design is instantly recognizable with its distinctive silhouette, floating roofline, and contemporary detailing. The Fuji White finish highlights its clean, uncluttered surfaces. Inside, the cabin showcases exquisite craftsmanship. The Ebony Seats and premium materials create a serene, minimalist environment that is both luxurious and functional. The upgraded 20 Inch Wheels perfectly complement the vehicle's commanding stature and athletic profile. Technology At the heart of the cabin technology is the Touch Pro™ Duo infotainment system, featuring dual high-definition 10-inch touchscreens that seamlessly manage navigation, media, and vehicle settings. This intuitive system provides a modern, decluttered cockpit. Essential information, such as directions and speed, is clearly displayed in the Interactive Driver Display. Seamless smartphone integration via Apple CarPlay® and Android Auto™ ensures you stay connected on every journey. Advanced Safety Features Enhancing driver confidence, this model includes the optional Drive Pack, which adds critical safety features to the already impressive standard suite. The Drive Pack typically includes technologies such as Blind Spot Monitor, Driver Condition Monitor, Traffic Sign Recognition, and Adaptive Speed Limiter, helping to maintain awareness and mitigate potential risks. Standard features include Emergency Braking and Lane Departure Warning, solidifying the Range Rover's commitment to passenger protection. Convenience

and ComfortThe Range Rover cabin is a sanctuary of comfort. The Heated Seats option ensures a warm welcome in colder weather for both front and rear occupants. Thoughtful features like Keyless Entry, the Powered Gesture Tailgate, and soft-close doors elevate daily convenience.
