Retailer Comments

Check out this 2023! It delivers style and power in a single package! A turbocharger further enhances performance, while also preserving fuel economy. With less than 30,000 miles on the odometer, this model delivers an exhilarating ride without compromising ultimate luxury! Top features include rain sensing wipers, heated and ventilated seats, power door mirrors and heated door mirrors, and power seats. Smooth gearshifts are achieved thanks to the 3 liter 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our team is professional, and we offer a no-pressure environment. We'd be happy to answer any questions that you may have.

Stop in and take a test drive!
