Retailer Comments

Dare to compare! This vehicle won't be on the lot long! An awesome price considering its low mileage! The engine breathes better thanks to a turbocharger, improving both performance and economy. With less than 20,000 miles on the odometer, this 4 door sport utility vehicle excels in its class, and is equipped to provide comfort, safety and style. Comfort and convenience were prioritized within, evidenced by amenities such as: a built-in garage door transmitter, automatic temperature control, and remote keyless entry. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, providing a smooth and predictable driving experience. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive. We pride ourselves in consistently exceeding our customer's expectations. Please don't hesitate to give us a call.
