ONE LOW PRICE Astorg Auto has proudly been a One Low Price automotive dealership for over 20 years. One Low Price is our no-hassle, no-negotiation, no-pressure purchasing experience. Our customer-focused sales staff at Astorg Auto is paid to sell you a car, but not paid on how much we make selling you that car--because we know paying sales staff on profit does not benefit the customer. One Low Price takes the risk out of paying too much for your next car. We believe everyone should pay the same fair price for a vehicle, regardless of ability to negotiate. We rigorously research both local and national markets to ensure that every vehicle is priced fairly. Then we go a step further and place that One Low Price on the windshield of every vehicle. This provides our customers with a fair, up-front, and transparent purchasing experience.
