Retailer Comments

Check out this 2023! It just arrived on our lot this past week! The engine breathes better thanks to a turbocharger, improving both performance and economy. With less than 20,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Top features include heated front seats, delay-off headlights, automatic dimming door mirrors, and voice activated navigation. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, providing a smooth and predictable driving experience. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Stop by our dealership or give us a call for more information.
